

# STORAGE VISIONS<sup>®</sup> 2007 CONFERENCE

AN ENTERTAINMENT STORAGE ALLIANCE<sup>SM</sup> EVENT

**Paul Tien, CEO and President, Infrant Technologies**

## **Biography**

Paul Tien is a successful serial entrepreneur and a semiconductor industry veteran. Currently, Paul leads the strategic direction of Infrant Technologies, serving as CEO and president.

Prior to joining Infrant, Paul served as senior vice president of engineering at ESS Technology. During his tenure at the company, Paul managed the development of PC and consumer semiconductor products for audio, video and communication applications. Before ESS, Paul founded Platform Technologies and introduced a high-performance multimedia SoC architecture utilizing the PCI bus standard. Platform Technologies was acquired by ESS in 1997. Paul also co-founded MediaChips, a provider of PC multimedia applications, which was acquired by OPTi in 1995. Paul's gained other engineering and management experiences working at companies including AMD, ZyMOS and Sun Microsystems.

Paul received his B.S. and M.S. EECS degrees from U.C. Berkeley. He holds two U.S. patents.
