

STORAGE VISIONS™ 2008 CONFERENCE

AN ENTERTAINMENT STORAGE ALLIANCE™ EVENT

Stephen Cowen, Technical Marketing Manager, STMicroelectronics

TITLE

Secure Data Storage: Time to Market, Now

ABSTRACT

The market for data storage security is here and now: This presentation will explore the state of the current data storage security market and the issues faced in fully enabling a ubiquitous market with high volume, high performance, and multi-sourced products.

BIOGRAPHY

Stephen Cowen has worked in the data storage industry for 22 years. The first half of his career was spent in the role of Product/Development Engineer or Electrical Engineering Manager on several HDD programs including the first 1.8" HDD. In the last 12 years, he has worked at STMicroelectronics; primarily in Sales/Marketing positions. His current position is Technical Marketing Manager for Data Storage Security SOC's.
