

STORAGE VISIONS™ 2008 CONFERENCE

AN ENTERTAINMENT STORAGE ALLIANCE™ EVENT

Tom Inglefield, Broadcast & Entertainment Solutions Manager, Sun

BIOGRAPHY

Tom Inglefield is focused on storage solutions and architectures for the broadcast, entertainment and post-production market. He began his StorageTek career in 1982 and has developed several industry-leading solution offerings working with storage providers and application partners. Inglefield also served as the director of product development for a streaming media startup. Prior to that he was chief architect responsible for developing storage software, hardware and service products for the very large database/data warehouse market. Inglefield has extensive experience in marketing, storage technologies, business development, product development and database technologies.

Talk to be given at the Storage Visions™ 2008 Conference
at the Flamingo Hotel in Las Vegas, Nevada, January 5th and 6th 2008!
