AN ENTERTAINMENT STORAGE ALLIANCE™ EVENT

John Kim, Director of Storage Marketing, Mellanox Technologies

BIOGRAPHY

John Kim is Director of Storage Marketing at Mellanox Technologies, where he helps storage customers and vendors benefit from high performance interconnects and RDMA (Remote Direct Memory Access). After starting his high tech career in an IT helpdesk, John worked in enterprise software and networked storage, with many years of solution marketing, product management, and alliances at enterprise software companies, followed by 12 years working at NetApp and EMC. Follow him on Twitter: @Tier1Storage.
