

STORAGE VISIONS® 2015

January 4 & 5, 2015 at The Riviera, Las Vegas, NV

AN ENTERTAINMENT STORAGE ALLIANCE™ EVENT

Matt Bryson, Vice President, ABR Investment

TITLE

Analyst Perspectives: What Will Cloud Storage Do to Local Storage?

ABSTRACT

While personal use of cloud storage will grow, data suggests it is supplementing rather than replacing the need for local storage.

BIOGRAPHY

Matt is the Vice President of Hardware Research at ABR Investment Strategy. His coverage includes all companies dealing with both compute and storage systems as well as storage components including hard drives, solid state drives, and memory. Prior to this role, Matt spent a decade at Avian Securities where he specialized in the field of storage and helped develop Avian's fundamentals focused approach to technology research. Matt graduated with a BA in Economics and History from Williams College.
